## Technische Daten

### General ordering data

Local product	Only available in certain countries
---------------	-------------------------------------

### Dimensions and weights

Length	130 mm	Length (inches)	5.118 inch
Width	183 mm	Width (inches)	7.205 inch
Height	60 mm	Height (inches)	2.362 inch

### Local features

Availability	United States
--------------	---------------

### Approvals

Approvals	Class 1 Div 2 hazardous areas, CSA
-----------	------------------------------------

### Dimensions

Height (inches)	2.362 inch	Length (inches)	5.118 inch
Width (inches)	7.205 inch		

### Wireless Gateways, Radio Transceiver

Antenna connection	SMA coaxial socket	Data rate	19.2 kB/s with forwarding error correction
--------------------	--------------------	-----------	--

### Wireless Gateways, Technical Data

Approvals	Class 1 Div 2 hazardous areas, CSA	Configuration	Using free Windows software
Current drain during radio transmission	Add 12V 350mA; 24V 200mA to above	Diagnosis indication	I/O register online read/record, Radio signal values from the remote units, Offline test of the data bus protocol
